Perinatal Mental Health at St. Luke's

Founded in 1871 by Episcopal priest Dr. Thomas Brotherton, St. Luke's is one of San Francisco's safety net hospitals, serving the uninsured and underserved. In 2017, Episcopal Impact Fund's affiliate, the Brotherton Fund, donated \$1 million to create a perinatal mental health endowment, the first such fund in San Francisco. This fund which will be used to support the critical mental health needs of the growing population of mothers and infants South of Market.

Planting with Purpose

With a grant from the State of California, Episcopal Impact Fund is establishing greener, healthier neighborhoods in underserved communities. St. James Episcopal ("Santiago") parishioners and Episcopal Impact Fund grantees Indigenous Permaculture and Urban ReLeaf have created a community garden that provides fresh produce for Santiago's weekly food pantry and have planted trees throughout East Oakland, cleaning the air and beautifying the environment.

St. Monnica's Mutual Housing

Named for the devoted and determined mother of St. Augustine, St. Monnica's goal is to create stable, supportive, low-cost housing for young families in Marin County, ensuring that our neighbors have a place to call home. Episcopal Impact Fund's assistance will help St. Monnica's take the first steps toward creating new low-income housing in Marin County.
